

Sermon Application Study

July 31, 2022

This tool is designed for groups, though it can be used for personal study. It is also designed to equip and motivate you to share the gospel with others. Learn. Apply. Share.

Target Passage → Hebrews 6:13-20

1. Who are the heirs of God's promise?
2. What are the "two unchangeable things" and why do they matter?
3. Those who do not hope in Jesus aim their hope toward other things. What are some common hope-targets for non-Jesus followers? And what is the consequence in hoping in lesser things?

Bridge Passages (for further study) → 1 Peter 1:3-6 and Romans 5:1-5

For Me →

1. How does your news and media (movies, shows, books, blogs, etc.) consumption affect your spiritual life?
2. How does the life of Abraham encourage you toward greater faith and trust in Jesus?

For the Mission →

How can a hope in Jesus and a love of Jesus lead us to be better neighbors, friends, spouses, parents, children, and workers? How does the love of Jesus affect our non-church spheres of influence?

PRAYER FOCUS

Ask God to build your hope and trust in Him! Pray for deeper faith that strongly connects your "boat" to the sea floor of Jesus!
