

# Sermon Application Study

March 24, 2024

## Target Passage → Luke 8:22-25

1. Whose idea was it to go to the other side of the lake and why is this important?
2. What did the disciples not understand about their predicament?
3. Why does Jesus question the disciples' faith? Isn't running to Jesus a sign that they are faithful to him?
4. What do we learn about the identity of Jesus from this incident?
5. What should faith in Jesus look like?

**Bridge Passages (for further study) → Psalm 104, Mark 4:35-41, Philippians 4:4-7**

## For Me →

1. Describe a time when a trial or pressure exposed your faith in Christ in a way that caused you to realize it wasn't as strong as you thought it was.
2. How does the sovereignty of Christ over the whole created order strengthen your faith in times of difficulty?

## For the Mission →

1. How can this passage help us bring hope to someone who is going through a difficult time?
2. How would you approach someone who professes to trust Jesus but is falling into despair over their circumstances? Is there cause for us to ask the question, "Where is your faith?" If so, how should we do that?

## PRAYER FOCUS

Pray for those you know experiencing the storms of life right now. Ask God to use these trials to strengthen their faith and draw them closer to Jesus.
