

# Sermon Application Study

July 26, 2026

## Target Passage → 1 John 4:13-17

1. When you think of God in your day-to-day life, how prominent is His Triune nature in the forefront of your mind? What difference does it make to our understanding of Him?
2. How does the Spirit of God enable us to see and testify that Jesus is the Son of God and the Savior of the World? What role does the Spirit have in our salvation?
3. Describe the nature of the Triune love that we have been caught up in as Christians.
4. What difference does it make to us that God abides in us? And what difference does it make that we abide in God?

**Bridge Passages (for further study) → John 14:16-20; John 15:1-11**

### For Me →

1. What does abiding in God look like in my life? How is His love being perfected in me?
2. What degree of confidence and assurance do I have for the coming judgement day? How can this passage increase my confidence in God's saving purposes for me?

### For the Mission →

The God of the Bible is unlike any false god worshipped in other religions. How would you go about explaining the Triune nature of God to an unbeliever or new Christian? How would you focus on the inter-relational aspect of God's nature, and avoid the common traps we can fall into by incorrectly explaining the relationship between Father, Son and Spirit?

### PRAYER FOCUS

Pray for a larger view of the love God has for you. Ask Him to let this love overflow from Him to you and then towards those around you – both to those who know Christ, and those who don't yet know.
