

Sermon Application Study

September 27, 2026

Target Passage → Luke 19:11-27

1. Who are the citizens in the story? How do you understand these people in our world today?
2. Who are the good servants in the story? What makes them good? Who are they in our world today?
3. Who are the wicked servants in the story? What makes them wicked? Who are they in our world today?
4. What is Jesus telling us about the connection between our faith, our resources, and success now as the church prior to his return?

Bridge Passages (for further study) → Matthew 25:14-30, Romans 1:1-6

For Me →

1. To what degree do you agree or disagree that you are not the owner of anything, but only the steward of God's resources?
2. How do we avoid becoming wasters of God's resources?

For the Mission →

What do you think would happen in the church today if all God's people became deeply invested in the mission of God's Kingdom and saw all their resources as God-given investments?

PRAYER FOCUS

Ask the Lord to show you how to use the resources he's given you to multiply his glory. Pray for our church as we answer the same questions for the growing resources at Calvary.
