For Me →

1. What's the relationship between knowledge of the gospel and transformation that results from the gospel? Can one be had without the other?

2. What influences in our American culture can help to explain our unprecedented access to theological truth and the millions of people unaffected by it?

For the Mission →

Do you know people who know the gospel well, but who have rejected Christ? Why have they done this? What don't they see?

PRAYER FOCUS

Ask the Lord to open the spiritual eyes of your friends and family who know the gospel but have rejected Jesus. Pray for opportunities to help them see Jesus in new ways and understand their need for him.
