15th November 2026 jlowe@calvaryefree.church James Lowe

The week will involve staffing True Vine Christian church's 'Kids XL' VBS program from Monday to Friday. This is a popular program which they have been running for over 15 years and attracts about 150 students each of the weeks it runs.

Kidz XL produce the curriculum and organize the days. We are there to help welcome and mentor the kids and provide extra supervision, especially on the field trip to a local attraction.
